

**OFFICE MEMORANDUM**

**Subject: Circulation of Google Form for Creation of Database on Ayush-based Medical Value Travel (MVT) - reg.**

The undersigned is directed to state that the Ministry of Ayush is in the process of developing a comprehensive database of Ayush-based Medical Value Travel (MVT) institutions, service providers and related stakeholders across the country.

2. In this regard, the Ministry of Ayush has developed a Google Form for systematic collection of relevant information pertaining to Ayush-based Medical Value Travel services, including hospitals, wellness centres, treatment facilities, practitioners and associated organizations.

3. It is requested that the following Google Form link may kindly be circulated widely among concerned institutions, practitioners and stakeholders under your jurisdiction, with a request to furnish the requisite information in a time-bound manner. The stakeholders may also be advised to further disseminate the link to maximize outreach and participation.

4. The database so created will facilitate evidence-based policy formulation, strategic planning, sectoral mapping, promotion of investment opportunities and strengthening of India's position in the global Medical Value Travel sector. The initiative is expected to support structured growth of the Ayush sector and contribute to economic development.

5. This issues with the approval of the competent authority.
